

**North Eastern Junior Cricket Association
History & Past Premiership Winners**

History

The North Eastern Junior Cricket Association (NEJCA) was established to service the growing number of children who lived in the North Eastern suburbs of Adelaide and wanted to play club cricket.

The community clubs in association with the SACA grade clubs in the area formed an under 9, 11, and 13 competition that provided a safe and structured environment for children to play and learn the game of cricket. Over the years NEJCA has continued to grow and currently has 16 clubs located within the North East area.

Games are played on a Sunday morning from 9am to noon. The association receives tremendous support from both the Grade and Community clubs junior co coordinators along with the SACA and this support has seen the association continue to flourish and provide an important introduction to cricket for young players.

Initially the competition consisted of only the under 13 teams but due to over whelming demand an under 11 competition was established for the 2004/2005 season. In season 2007/2008 further demand prompted the creation of an under 9 competition.

Past Premiership Winners

U11 North

2004/05 – Modbury defeated Payneham
2005/06 – Payneham defeated Hope Valley
